Iran

Sentenced to 6 years in prison and 2 years in exile

## Saheb Fadaie

Saheb was arrested for organizing house churches. This is considered an act against national security. He is currently serving 6 years in Evin Prison. When his 6 years is finished, he will spend 2 years in internal exile. In addition to these sentences, Saheb was given 80 lashes for drinking communion wine. Please pray that Saheb will experience the strength and grace of God during this time. May he know that he is not forgotten, but his Church family are praying for him.
