Jianhong*

Fraud is one of the common accusations made against Christians in China. Jianhong, the husband and breadwinner of the family, is now imprisoned - sentenced to three and a half years of imprisonment and fined RMB 60,000 (equivalent to USD 8,347). The accusation is made based on the tithe and offerings collected from their brothers and sisters.”

Jianhong’s family is hopeful that he will be released in 2026.
